APPROVED ONLINE COURSE LIST FOR MISSISSIPPI COMMERCIAL RECERTIFICATION CREDIT

**Only those commercial certifications, licenses, and/or permits expiring within 12 months of the expiration date will qualify for credit. A minimum of 5 credit hours is required and must pertain to one or more of your categories listed on your ID card. Of the 5 credit hours, only 1 course can be from the "All Categories" and the other credit hours must come from the list below or other state approved courses. Applicators may not receive credit for attending the same meeting twice during their 3-year recertification cycle. Please submit your completed course certificate(s) when the minimum 5 credit hours are attained if obtaining credits via online. **

MSU Extension Recertification and Training M. Eugene Merkl, Jr.
PSEP Coordinator
Mississippi State University
Box 9775
Mississippi State, MS 39762-9775

Go to Mississippi State University Extension webpage http://extension.msstate.edu/content/online-commercial-applicator-recertification to find out more information about the courses listed below.

Course Title	Category	Credit hours
Disease Management in	I(A), III	3
Enclosed Spaces		
How Fungicides Work?	I(A), III	0.5
Management of Pocket Gophers	I(A), III	1
Mole Management	I(A), III	1
Voles: Biology, Damage &	I(A), III	1
Control		
Application Equipment and	I(A), III, VI, VII (3)	1
Calibration		
Pest Identification: Corn,	I(A)	2
Soybean & Grain Sorghum		
Pest Identification: Rice and	I(A)	2
Cotton		
Identification & Control of	I(A), II, III, V, VI, VII (3)	1
Noxious Weeds		
Understanding Rodenticides and	I(A), III, VII(A)	1
Their Labels		
Skunks: \$mell the \$ucce\$\$	I(A), III, VII(A)	1
Rights-of-Way: Pest Control	II, VI, VII (3)	4
Rights-of-Way: Weed Control	II, VI, VII (3)	4

	T	
Management Strategies for	III	4
Disease Issues in the Landscape		
Cultural Practices for Turf	III	1
Management		
Common Turfgrass Weeds	III	1
Turfgrass Disease, Insect, and	III	1
Vertebrate Pests		
Turfgrass: Keys to Identification	III	3
and Management		
IPM for Turf Management	III	1
IPM for Ornamental Plant Pest	III	1
Management		
Ornamental Pesticide	III	1
Application Equipment and		
Calibration		
Common Ornamental Plant	III	3
Pests		
Home Lawn and Landscape	III	1
Management		
Annual Bluegrass Resistance	III	1
Management		
Seed Treatment Product Safety	IV	1
Aquatic Weed Control	V	2
Right-of-Way: Pest Management	VI	3
Overview		
Zika & Other Mosquito Borne	VII(A), VIII	1
Diseases		
Bed Bugs: Overview and	VII(A), VIII	2
Management		
Intro to Mosquito Control	VII(A), VIII	2
Mosquito Identification	VII(A), VIII	3
Mosquito Management &	VII(A), VIII	2
Control		
Mice: The Ubiquitous	VII(A), VIII	1
Commensal Rodent		
Cage Trapping Techniques	VII(A)	3
Euthanasia & Carcass Disposal:	VII(A)	1
Methods & Pitfalls		
Vertebrate Structural Pest	VII(A)	4
Control and ID		
IPM for Termite Prevention	VII(A)	1
		_

Termite Basics: Control and	VII(A)	2
Prevention		
General Structural Pest	VII(A)	3
Management		
Rodents and Other Vertebrate	VII(A)	2
Pest Management		
Structure Infesting Pest	VII(A)	3
Management		
Structure Invading Pest	VII(A)	3
Management		
Control & Management of	VII(A)	1
Unprotected Birds		
Inspecting Structures for Wildlife	VII(A)	2
Bat Damage Management	VII(A)	1
Wood-Destroying Pest	VII(A)	6
Management		
Termite Inspection and	VII(A)	1
Treatment		
Field Fumigation for Managing	VII(B)	2
Vertebrate Pests		
Antimicrobials	XII, XIII	1
Balancing Pest Management	ALL	2
with Pollinator Health		
Integrated Pest and Resistance	ALL	2
Management		
Pollinator Stewardship	ALL	1
Reading the Label: Beyond the	ALL	2
Basics		
Respirator Protection	ALL	1
Environmental Fate and	ALL	1
Transport of Pesticides		
Pesticide Labels and Safety Data	ALL	1
Sheets		

^{**}Only those certificates, licenses, and/or permits expiring within 12 months of the expiration date will qualify for credit. Each webinar block at https://allpoints123.com/ms-all/ consists of 5 individual courses. Each course must be completed within the block for credit to be awarded. For Mississippi, the following courses have been approved for credit. At the completion of each webinar block, Allpoints123 will send you a certificate of completion for your records and will submit your certification information to the Bureau of Plant Industry for credit to be awarded. **

Forest Pest Control	Category 2 – 5 credits
Ornamental Turf and Pest Control	Category 3 – 5 credits
Aquatic Pest Control	Category 5 – 5 credits
Right of Way Pest Control	Category 6 – 5 credits
Industrial, Institutional, Structural & Health Related Pest Control	Category 7A – 5 credits
Industrial Weed Control	Category 7(3) – 5 credits
Public Health Pest Control	Category 8 – 5 credits

Courses are designed to be completed in 60 - 75 minutes, and can be accessed by PC, tablet or smartphone. This accessibility gives the User the ability to access and take courses when time is limited, such as during breaks or lunchtime. The format is designed so that if a User needs to stop while taking a course, he or she will pick up at the point they left off and then complete the program. Each course contains a 10-20 question Test that is graded at completion of the test. The User is given an opportunity to retake missed questions; however, the results of first time through the test are what constitute a passing or failed score.

**Only those certificates, licenses, and/or permits expiring within 12 months of the expiration date will qualify for credit. A minimum of 5 credits is required and must pertain to one or more of your categories listed on your ID card. **
